1. Now a matter of practice.
2. Study now in progress at the request of the Department of State.

/A single small note attached to this paper, says without obvious reference to anything in particular: "Estimate proposed by JIG in IAC Meeting, 15 November 1950. Work on Estimate started by JEIC in December 1950. When partially completed, Department of Defense members advised that they had been instructed not to turn in their contributions." EL/
